WORK EXPERIENCE

Drone Geek Productions | *Senior Videographer/Drone Operator*, Lancaster, PA

May 2022 – June 2024

- Contributed to 20+ projects generating over \$80,000 in revenue, specializing in weddings, proposals, and mobile drone footage. Managed project budgets, collaborated with clients, and ensured high-quality video production.
- Gained expertise in video production, drone operation, and event coverage by capturing and editing dynamic footage. Worked closely with teams of up to six other professionals utilizing advanced cinematography techniques.

Tiadaghton Embroidery | *Assistant Manager*, Jersey Shore, PA

December 2021 – July 2023

- Designed and produced custom T-shirt prints, increasing order efficiency by 25%.
- Managed inventory and ensured the production workflow ran smoothly, improving turnaround time for custom orders.

Subway | *Lead Closer/Shift Supervisor*, Jersey Shore, PA

August 2022 – July 2024

- Oversaw nightly operations, ensuring efficient closing procedures, cash reconciliation, and inventory management.
- Maintained a clean, organized workspace while delivering high quality customer service in a fast-paced environment.

PROJECT EXPERIENCE

Bucknell Sports Video | Lewisburg, PA

September 2023

- Produced promotional content for Bucknell Men's Basketball, garnering over 100,000 views.
- Led the planning, production, and editing of video content, ensuring high-quality execution and timely delivery.

High-Speed Drone Racing Coverage | Mill Hall, PA

July 2024

- Captured immersive footage of high-speed drone racing, enhancing the visuals to meet the specific creative and technical requirements of the company.
- Took charge of drone piloting and coordinated with event staff to ensure smooth and exciting race coverage.

Surprise Proposal Video | Bethany Beach, DE

August 2023

- Delivered a heartwarming and unforgettable proposal video, carefully crafted to meet the client's expectations.
- Managed the logistics, timing, and execution while balancing creativity and surprise to capture the perfect moment.
